Westward Parish Council www.westward.org.uk

clerk: A Watson 016973 42425 ann@cunningarth.com

A summary of the meeting held at Rosley Hall on Monday 15th August. Councillor D Fairbairn attended. Ten members of the public were also present.

1. a general discussion on Wind Energy, the council agreed to liaise with and support other local councils on this matter - see summary below. **2.** The Queen's Diamond Jubilee 2012:- nationally a chain of beacons has been proposed, Mr M Watson offered a site within the parish. At the next meeting there will be a discussion on how this event can be celebrated in the parish. **3.** Broadband:- 238 households (77%) in our parish have now registered an interest in receiving better broadband - see summary below. **4.** First Responders:- see the Village Agents report for details. The council agreed to donate £400 to help cover the costs. **5.** The audit of accounts is now available for inspection. **6.** Highways:- consultation is taking place on the North Allerdale Traffic Regulations Order Review, three items relate to the parish **a.** egress only at Tracentree **b.** no parking outside Rosley School during school hours **c.** width restriction (except for access) on the Rosley to Welton road via the narrow bridge near Chalkside. Other highways issues - **d.** on Brocklebank recently erected warning signs ref. horses are sited too close together **e.** the road at the bridge near Raise Lodge has still not been repaired causing a serious problem with water run off. **f.** the Highways Steward, who now works as part of a team, has not been in the parish for sometime, enquires are to be made as to why and when they are due. **7.** a fence has been damaged on parish land near Beck Bottom **8.** Grey Squirrels - traps are available to try and control the spread of grey squirrels if anyone would like more details please contact Bill Brown. The Chairman thanked the members of the public for attending the meeting and for their input to the discussion on wind energy. He added that the public are always welcome at all parish council meetings. Please note this is just a brief summary of the meeting, a draft of the full minutes is available from the clerk or will be posted on the website within one week of a meeting.

Next meeting - Monday 14th November 7.30pm at Westward Halls if you have any issues you would like raised at this meeting please contact the clerk at least ten days before the meeting so they can be included on the agenda.

Windfarm Concern

Following an Appeal by the applicant, the Planning Inspectorate has granted planning permission for the proposed 70 m anemometer mast at Reathwaite Farm, Brocklebank, with costs awarded against Allerdale Borough Council.

As a follow-up to the Parish Council Chairman's comment in May that the parish would have to decide what their position was on wind turbines and digesters, the Parish Council, on 15th August, agreed to support a public meeting, on a date to be arranged, to present and discuss important issues related to industrial-scale wind farms. Present thinking is to arrange such a meeting as soon as possible after any wind farm planning application is submitted.

In view of the increasing threat of more windfarms along the northern fringe of the Lake District National Park, the Council agreed to liaise with other parish councils in the area to support each other where appropriate. This item was discussed in response to an approach from Boltons Parish where two energy companies are doing environmental impact assessments of schemes which would add a total of 11 large turbines alongside the existing 3 turbines at High Pow.

Broadband - www.northernfellsbroadband.co.uk

Across the 7 parishes of the northern fells, registered support stands at 58% of the community. This is a fantastic show of support and has contributed greatly to raising the profile of Northern Fells Broadband with MPs, BDUK, telecoms suppliers, and the County Council. Funding: £16.8m has been awarded to Cumbria for rural broadband delivery. The County Council may add additional funds and further sources of funding might include Defra and the EU. There are four pilot schemes for broadband delivery in the UK and Cumbria is one, with the County Council taking full responsibility for the management of the scheme. For clarity community projects which may be implemented before the completion of the Cumbria County Council procurement process are now being labelled "Technical Pilots". BDUK invited Northern Fells Broadband to present to an Industry Day on July 8th and, following the day, selected the group [along with Eden Valley Digital and Garsdale and Dentdale] to further develop its proposal in the form of a business case. We have been accepted by BDUK as a Technical Pilot and we will now be working hard to secure possible funding grants.

To keep up to date with developments check out the above website which is regularly updated.

Neighbourhood Forum Grants

Due to reorganisation there are no Forum meetings planned at present, however grants are still available for voluntary non-profit making community based projects. For further information contact Councillor Duncan Fairbairn 016973 43160 or duncan.s.fairbairn@cumbriacc.gov.uk

Highways Hotline - 0845 609 6609

or contact@cumbriahighways.co.uk

to report any highways problem - potholes, damaged road surface, flooding, fallen or damaged trees, blocked gulleys, grips or drains, damaged signs, faulty street lighting, refill salt bins/heaps etc. Many of the smaller jobs will be done by the Highway Steward team when they are in the area, others are passed on to the relevant department. You will be given a reference number to enable you to track the progress of your report

Northern Fells Group www.northernfellsgroup.org.uk

Group Coordinator - Sue Clarke, Millhouse Village Hall, Millhouse, Heskett Newmarket, Wigton CA7 8HR
Telephone 016974 78094 or email info@northernfellsgroup.co.uk

The group promotes and undertakes charitable activities of any kind for the general benefit and welfare of the inhabitants, communities and organisations in the parishes of Boltons, Caldbeck, Castle Sowerby, Ireby with Uldae, Mungrisedale, Sebergham & Welton and Westward & Rosley.

Membership - £5 a year for an individual or £15 for a family. This carries no obligation for volunteering, and you don't have to be a member of the Group to use its services, but becoming a member is a much appreciated way of supporting the Group's work. Some of the services the Group currently runs: **The Minibus Service** provides a flexible, accessible door to door service for people of any age without their own transport and does group outings. **The Lend a Hand Group** provides neighbourly support to people who are ill or disabled, and to their carers. **The Youth Initiative** runs a range of activities including cycling, first aid for baby sitters, art, craft, music and sport as well as networking with local, county and national youth schemes. **The Benefits Awareness Scheme**, part of the Lend a Hand Group, assists the elderly, people with disabilities, carers, and people on low incomes. **The Village Agents project** was launched in June 2010. The Village Agents are friendly local contacts who will help people of all ages to obtain assistance and advice from a wide range of organisations and services, and support people in achieving the help they need. More details on website.

Ocean Youth Trust are providing subsidised places on Ocean voyages from North Shields for either 2 or 5 days. It is for youths aged 16 to 19 who are looking to acquire sailing skills.

First Responders - Westward/Rosley parish now have three trained First Responders for the North West Ambulance Service and will join with the already existing Thursby Team to cover both Thursby and Westward/Rosley parishes. This is a great benefit for our community - look out for details of fund raisers and an event to showcase what First Responders do.

Food Hygiene Course - I am trying to organise a 10 hour course over 2 days or 3 evenings, please contact me if interested

Lipreading and Communication Skills a free course (25 session) for adults with hearing difficulties - contact for details

Surplus Apple Scheme after last years success we have been asked to organise another Surplus Apple Scheme. We are looking for more helpers to pick, collect and deliver apples this year. Anyone interested please contact your village agent for more details - this a great way of reducing waste and being part of 'our big community' We need a collection point in each area, it needs to be cool and airy like a garage or barn. Ideally apples should be clean and free from bruises for collection into net bags which we have available. Bruised and damaged apples can still be collected separately for another purpose. We plan to have our own Apple Day when you can come along and see juice being made. Plus we will be holding some workshops with cookery experts - lovely recipes and demos of pies, crumbles, soups, sauces, cakes, tarts, chutney pickles and more! If you have favourite recipes then bring them along to share. Watch out for more details and dates.
